2014 ORAMM Liability Waiver

As a participant of The 15th Annual Off Road Assault on Mt. Mitchell on July 27, 2014, I agree to all rules and will comply with them. I am aware that this type of endurance race may be extremely difficult and hazardous even for well-conditioned athletes under the most favorable conditions. Furthermore I understand that I should not compete in this bike ride unless I am in excellent physical condition, have trained adequately and have no medical condition that might be worsened by physical activity.

Knowing these facts and in consideration of the acceptance of my Application to participate in The Off Road Assault on Mt. Mitchell, I hereby for myself, my heirs, executors and administrators waive, release and discharge Todd Branham, Blue Ridge Adventures, officials, volunteers, sponsors, and all persons connected with this event, from claims of liability for any injuries to me (including, but not limited to death). The release extends to all claims unforeseen, known or unknown. Further, I grant permission to Blue Ridge Adventures, and any media coverage of this year's race, and the authorized agents, contractors and representatives of each, to use my name and likeness in any photographs, video tapes, motion pictures, recordings, or any other recording of my participation in this event for any purpose.
